Dear Mr. Evers:

This is in further response to your August 30, 2017 Freedom of Information Act request, received by the Civil Rights Division on September 6, 2017, seeking access to:

Calendar entries (including invitations) relating to postsecondary education admissions and involving any participant or invitee with an @ed.gov email address (and all attachments to such calendar entries) for:

- the Attorney General
- the Deputy Attorney General
- the Associate Attorney General
- the Assistant Attorney General for Civil Rights
- the Chief of the Educational Opportunities Section of the Office of Civil Rights
- any other political appointee or SES employee in the Office of the Attorney General, the Office of the Deputy Attorney General, the Office of the Associate Attorney General or the Office of Civil Rights (including the Educational Opportunities Section).
- anyone acting on behalf of any of the individuals listed above (such as administrative assistants or chiefs of staff)

After review of the responsive Civil Rights Division (CRT) documents, I have determined that the enclosed 25 pages may be released to you subject to the excision of the names and other identifying information of private citizens, pursuant to 5 U.S.C. § 552 (b)(6) since disclosure thereof could reasonably be expected to constitute an unwarranted invasion of personal privacy and pursuant to 5 U.S.C. § 552 (b)(5) since the intra-agency memoranda consist of attorney work-product and predecisional deliberative materials. Further, I have determined portions should be denied pursuant to 5 U.S.C. § 552(b)(7)(A), since disclosure thereof could reasonably be expected to interfere with law enforcement proceedings. I have

further determined that certain information within these records that is exempt from disclosure pursuant to 5 U.S.C. §552(b)(7)(A) should also be denied pursuant to 5 U.S.C. §552(b)(5), since the records consist of attorney work product, and pre-decisional deliberative material and attorney client material. Finally, the Civil Rights Division is responsible for documents originating from the Division and we are responding to the FOIA request on behalf of the Civil Rights Division only.

You may resubmit your request once the Justice Department has closed this matter, and we will be happy to provide you with any documents that may be released which will not jeopardize the Department's currently active enforcement interest in this matter.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through OIP's FOIAonline portal by creating an account on the following web site: <https://foiaonline.regulations.gov/foia/action/public/home>. Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

I hope the Civil Rights Division has been of some assistance to you in this matter.

Sincerely,

Tink Cooper

Tink Cooper, Acting Chief
Freedom of Information/Privacy Acts Branch
